BE SALT, SHINE LIGHT

In Matthew 5:13-16, we are called to be the salt of the earth and the light of the world. Just as salt enhances flavor and preserves goodness, our commitment to live from the love of God and for His fame brings the flavor of Heaven to Earth. The goodness of God leads people to His redeeming plan. As salt and light, we stand out in a dark world, bringing integrity and humility into our world. The nature of God shines in and through us! Imagine the power of that light—when we link arms together in the noble work of the Gospel.

Positive Options, our staff, volunteers, and donors link arms together across West Michigan, bringing the goodness of God and the light-filled hope of Heaven to clients and their families in a time of confusion and fear. Together, we can be a guiding light, illuminating the path for others and inspiring change in our community. Let's be Salt and Shine Light in 2025—for the glory of God and the goodness of the Gospel.

Sanctity of Human Life - January 2025

As we honor the Sanctity of Human Life this January, we reflect on the sacredness of every life, born and unborn, created in the image of God. At Positive Options, we are dedicated to upholding the value of life by offering compassionate care to individuals facing difficult choices. Together, we remind them of their worth and the beauty of life.

Let's link arms as salt and light, making an eternal difference in the lives of those we serve. Your generosity helps us share God's love and life-affirming hope in 2025 and beyond.
