

Dear Friends,

Many of you know that I love golf, but more importantly, I love life. I am amazed by the number of lives impacted through the ministry of Positive Options on a daily basis. On September 8th I am participating in a Golf Marathon – golfing as many holes I can in one day in an effort to support the life-giving work they do. Would you help me love people to life one tee shot at a time?

I am excited about this ministry and I invite you to join me by sponsoring me with a one-time gift, a dollar or two or three...for every hole I finish.

You are a vital part of a group of people standing in the gap for young families in our community. Families like Jamie and Destiny who faced an unplanned pregnancy in our community. When Jamie first heard the news that he was going to be a father, he was in total shock! It took a couple days for him to wrap his mind around it. As time went by, reality sunk in and the impossible started to appear differently. Jamie explained how time and a positive influence of his advocate Jay, was essential in his journey. Through the encouragement and guidance that Jay provided, Jamie realized he could share his fear and uncertainty and work through the puzzles of life without losing his dignity. Men need a place to process life, just as women do. The Bible says: wars are won through the counsel of many. Proverbs 24:6-7  
It was a powerful experience for Jamie. Jay helped him realize there was no shame in sharing trouble with others. That man-to-man opportunity is rare and vitally important in life. Jay stood with Jamie as he embarked into fatherhood.

Destiny and Jamie share their inspiring story on this year’s movie production “Created”. You can watch their short story here: <https://vimeo.com/846043874>.
