

**OCTOBER 20  
24**

**WEEK 1**

**Thank you, God, for being our loving and gracious Savior.** There is nothing on this earth that escapes your knowing, and yet, You love us with the love of a good, good father. We ask that you turn the hearts of the people toward You. May the lives within the womb be protected and loved. May we wait on you with confident expectation of what You will do. In your holy name, amen.

**WEEK 2**

**Your Word, God, has the power to move us into a deeper relationship with You.** As You lead, and we follow, may the abundance of who You are explode within us. May we (as one being served or one serving others) experience peace in the storm, order in the chaos, hope in the hard. Thank you for leading us into more than we could ever find on our own. In your name alone, amen.

**WEEK 3**

**God, we cry out in our times of struggle.** Hear our cry. We cry out for the woman in an unhealthy relationship, we cry out for the man who does not know how to honor and treasure a woman, we cry out for the children born into a battlefield, we cry out for the child conceived but not yet born. May you hear our cries and respond to these individuals with an abundance of your love. Only in you, we pray, amen.

**WEEK 4**

**God, You are the great provider.** You know our every need. We ask for provision for the families served by Positive Options. We ask that they seek You out and trust You to meet their needs. May their requests be fulfilled and may they see Your power and provision for their lives. May they know your goodness and grace. In you alone, amen.

**WEEK 5**

**God, You are the great teacher, rabbi and father.** Where you go, teach me to go. Where you stay, encourage me to stay. When you move, help me to follow your lead. Teach me your ways that others may see and follow You. May the women and men served by Positive Options come to trust You and find hope. In your name, amen.
